Monday, January 1st

Left at 8:00 AM for the
field station. The weather was
clear and cold. We traveled
by car to the station, which
was located in a wooded area.
The station was a simple
building with a porch. We
checked in and then went to
our quarters. The quarters were
small but comfortable. We
had dinner and then went
to bed. The night was very
quiet and peaceful.

We woke up early in the
morning and went to the
field. The field was a large
open area with many trees.
We went to the edge of the
field and set up our traps.
We then went back to the
station and had breakfast.
The day was very busy and
productive. We caught several
mice and some birds. We
then went back to the station
and packed our traps. We
left at 5:00 PM and went
back to the car. The trip
was very pleasant and we
enjoyed the scenery.
